**JOINT MOTION TO STAY PROCEEDINGS PENDING RULINGS IN  
MASSACHUSETTS APPELLATE PROCEEDINGS INVOLVING  
“COVID-19 BUSINESS INTERRUPTION” CLAIMS**

The parties respectfully move the Court for a stay of the proceedings in the above-captioned matter pending a decision from the Massachusetts Supreme Judicial Court in *Verveine Corp., et al., v. Strathmore Ins. Co., et. al.*, No. SJC-13172 (January 7, 2022), a COVID-19 pandemic-related business interruption lawsuit involving substantially similar claims under Massachusetts law. This decision is believed to be imminent and since such decision will impact the briefing, the parties respectfully suggest that a stay be implemented. Additionally, the Court of Appeals for the First Circuit has held numerous COVID-19 business interruption claims in abeyance pending resolution of *Verveine* by the Massachusetts Supreme Judicial Court, reasoning that its resolution may provide useful guidance that would bear on the resolution of this case.

At present, because a stay will not result in prejudice to any party and will preserve attorney and judicial resources the parties move to stay any briefing or motion practice until

these imminent decisions are issued. At that time, the parties will submit a proposed joint schedule to the court.

For all the above reasons, the parties hereby respectfully request that this Court stay the proceedings in this matter pending a decision from the Massachusetts Supreme Judicial Court.
